

## Who hires a Life Coach?

Winners who want more out of life!

With Applicable Life Coaching and Counseling, we can help your business grow by creating and following a structured, strategic plan that will take you and your employees to a higher level of performance, increased job satisfaction, career development and personal growth!

*I get real busy running my company. I call Mike and set up Skype appointments right from my office...what a great way to get help and save time!*  
Dave G.

How will Applicable Life Coaching and Counseling improve leadership, employee accountability, teamwork, sales, communication, goal setting and strategic planning?

With today's busy schedules, we recognize that most people seldom take time to balance their career and personal life. We'll keep your goals before you for weeks at a time. Change simply becomes inevitable!

*Mike helped me with work related issues that I had with employees. We talked through them and then we met with the staff and ironed out the problems. We have a great environment we work in now! Thanks Dr. Mike!*  
Laura S.

As your Life Coach we can help you...

- Discover what is important to you.
- Design a custom plan.
- Eliminate obstacles that stand in your way.
- Partner all the way to success.
- And celebrate with you!

**FACT:** 73% of working Americans face professional and personal challenges that could be resolved with just one hour of coaching each week. Many simply don't know where to turn for help. By partnering with Applicable Life Coaching and Counseling, we can provide your employees with professional and personal development resulting in measured outcomes.

*If anyone in our office has any kind of problem, work or personal, we call Dr. Mike. We have 4 hours booked a month for his Life Coaching and Counseling services. Anyone can sign up for it. He's booked in advance. What a great service!*
